

ENSF 608 Final Project EER Diagram

Shad Sajid (30021753)

Jeremy Sugimoto (30232526)

Gi-E Thang (30031722)

Matt De Filippo (30202259)

Assumptions:

- A PERFORMER can only be on a single Diet at a time (i.e. they cannot be vegan and high protein).
- A PERFORMER can potentially not be in any SHOW (ex. they are new to the team and are still in training).
- An AERIALIST only uses one piece of 'Equipment' and only performs one 'Sport'.
- An ENTERTAINER can only have one 'MainAct'.
- PERFORMERS can potentially have the same EMERGENCY_CONTACT.
